

YOU'RE INVITED

FORAGE SUMMIT MEETING

ROB-SEE-CO™

If silage is important to you or your customers, join us at a Rob-See-Co Forage Summit. There are 13 in-person summits and 2 Zoom options if you can't make it in person. **These summits are open to customers and prospective customers, so spread the word to anyone interested.**

These meetings will be packed with great information, including:

- A deep dive on corn forage products and plot data
- Placing the right silage products in the right fields
- Streamline Ag products that help crops reach their full potential
- Other important forage products – alfalfa, forage sorghum, and inoculant

Below is the detailed list for the meetings. In-person meetings will be 9:30 a.m. to 2:00 p.m. local time (regardless of time zone). Zoom meetings will be 9:00 a.m. to 12:00 p.m. local time.
